

Reduce Your Insurance Compliance Risk Using AI

Naehas Intelligent Reviews takes the heavy lifting out of your ad review process. Built for highly regulated industries, you can be confident all your customer communications are accurate and compliant.

Intelligent Reviews empowers reviewers to intelligently assess content at its source by combining the power of AI and a centralized Compliance Repository, reducing risk and increasing productivity.

KEY BENEFITS

ENSURE ACCURACY

Reduce risk with automated rules specifically tuned for your compliance requirements and brand standards

COMPREHENSIVE COVERAGE

Allow your first and second lines of defense to assess every document, rather than rely on sampling

EVIDENCE OF CONTROLS

Manage compliance evidence in one system of record and find it quickly when you need it

FUTURE-PROOF YOUR COMPLIANCE PROCESSES

- Does your manual review process still let errors through?
- Does reliance on sampling keep you up at night?
- Does your team struggle with storing and retrieving compliance evidence?

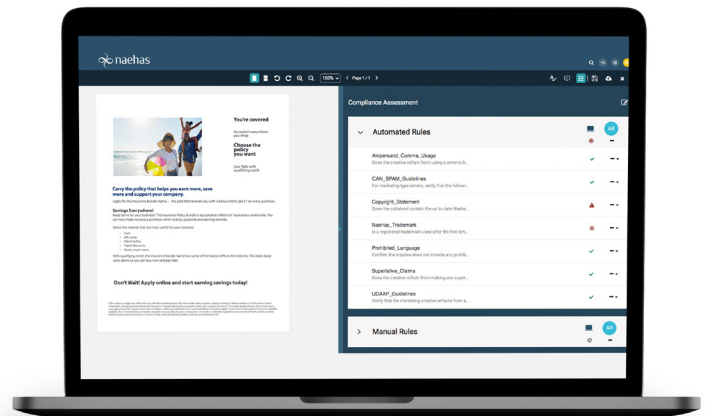

SOLUTION OVERVIEW

- Automated assessments that keep getting smarter through AI
- A single workflow for all approvals
- Visual annotations and change requests
- Pixel-by-pixel and word-for-word document comparisons

CUSTOMER RESULTS

- **REDUCED ERRORS**
100% reduction in self-reported compliance errors
- **FASTER REVIEWS**
Hundreds of rules assessed in minutes
- **IMPROVED PRODUCTIVITY**
20% increase in productivity
